

## WORKSHOP (W 1.3)

### *“Ecosystem of Mobility”*

Madeira Island, Portugal

[www.ice-conference.org](http://www.ice-conference.org)

### Interdisciplinary aspects of anticipated changes in mobility

This workshop aims to provide a platform to identify and discuss cross-disciplinary themes, research problems and arising question relating to the change in mobility of people. Technological changes, ecological aspects, as well as socio-political of the impact of the changing patterns and technologies available for people to commute and travel will be considered. The workshop will take an end-open approach, considering it as a mind-map of the group/participants.
